Site meeting

Wayne,

I am still waiting to hear from you to set up a site meeting on Smith Corner Rd. in Newton, to go over pole relocations. As I stated in the message I left you three weeks ago, one of the poles has a Tel. main line riser on it. I would think you would want to have some say in where it is relocated. I am trying to get together a plan for this project to submit to the Town of Newton.

Please email or call me at ASAP so I can get this project underway. Thank you, Chuck Lloyd 603-777-5512
